## INTRODUCTORY REMARKS.

---

### *TO THE TRADE:*

To those who have never done business with us, would say this is our fourteenth year in the nursery business. We have one hundred acres in nursery stock.

### SOIL.

Our soil is clay loam high land that insures solid wood, early ripened trees.

Vincennes is situated on Wabash river, 150 miles from St. Louis, 190 miles from Cincinnati, 57 miles south of Terre Haute, four good railroads: B. & O. S.-W., Big Four, Pennsylvania and E. & T. H.

We have low freight rates to all leading points

Prices are limited to Fall of 1903, and supersedes all previous lists, and are subject to change without notice.

We advise parties to send in their orders early before assortment of stock is broken.

Always give shipping instructions plain. In absence of particulars, we forward to the best of our judgment, but in no case will we assume responsibility after consignment to purchaser. Any mistakes of ours cheerfully rectified.

**Terms of Payment** are cash or security before shipment, except with established nurserymen.

When if unknown to us satisfactory reference will be required before goods are shipped.

**Quotations are net, packing and baling extra.**

Remittance should be made by Draft on New York, Chicago or St. Louis, or by Express Money Orders. Do not send personal checks.

Claims for deductions will receive consideration only when made promptly on receipt of goods.

**GUARANTEE OF GENUINENESS.**—While we exercise the greatest diligence and care to have our stock true to label, it is mutually agreed between ourselves and the purchaser, that our guarantees of genuineness shall in no case make us liable for any sum greater than that originally paid for stock that proves untrue.
